The Alternative Schools Network (ASN) believes that every youth is entitled to not only education, but the support services they need to help them succeed in obtaining their high school diploma and transitioning to the workforce. ASN serves as a conduit for the work of its member schools and community-based programs, connecting the mission, goals, strategies and outcomes to create a unified community of active participants in programming. Through this role, ASN is able to link the voices of its partner communities to marshal resources and expertise that will improve the outcomes for its target populations. The ASN’s staff’s work centers around three strategic areas of focus:

- Resource Development
- Technical Assistance & Training
- Advocacy & Shaping Of Programs & Policy

Our goal is to ensure that youth and young adults receive engaging and positive academic and wraparound programs and experiences, both during and after school. Together with its member schools and community-based partners, ASN has established collaborative undertakings to not only transform youth into productive individuals, but also to grow interest in their own learning, spark intellectual curiosity and develop their capacity for meaningful participation in their futures and the future of their communities. ASN’s range of programming focuses on:

- Staff Professional Development
- Pre-Employment & Job Training
- Counselling and Mentoring
- Youth Leadership
  - Biannual Youth Conference
- Violence Prevention
  - All-Network Prom
  - Athletic League
  - Arts Education/Video Production Project
- Support Services
- Advocacy
  - Alternative education
  - Equal educational opportunities
  - Youth employment

**YOUTH SCHOLARS, SKILLS, SERVICE (YS3)**

The Alternative Schools Network of Chicago (ASN), in collaboration with the Department of Children and Family Services (DCFS), has developed a program with 18 community-based alternative high schools to provide opportunities for youth who are out of school and do not have a high school diploma or GED. The Youth Scholars, Skills and Service Program (YS3) directory has been developed for professionals who work with 16-21 year old youth in the care of DCFS residing in such placements as traditional foster care, home of relative, independent living, or group home.

This program provides Chicago area youth who are in the care of the Department of Children and Family Services (DCFS), are not enrolled in an educational or vocational program and do not have a high school diploma or GED with the opportunity and resources to attain their educational goals and become independent and productive adults. Integral components of YS3 are student mentoring, college placement, and support.

DEPARTMENT OF HEALTH SERVICES (DHS) OFFICES & SERVICE PROVIDERS

WIC

WIC is a federal funded program implemented by the City of Chicago Department of Public Health that provides pregnant, breastfeeding, postpartum women, children and infants with nutrition assistance. WIC is a special nutrition program that assists with pregnant, breast-feeding or post-partum women, infants up to one year of age, and children up to 5 years of age. Benefits of WIC include nutrition counseling, free breastfeeding counseling, monthly checks for items such as milk, eggs, cereal, cheese, and produce, and infants receive infant formula and as they get older, cereal and baby food.

To apply for WIC benefits bring the following to a WIC Location:
- Two current paycheck stubs or Public Aid Card
- Birth Certificate
- Shot Records of your child
- Picture ID/Social Security Card
- Current Bill or Mail
- Health Referral form completed by your health care provider
